Prayer to the Lord

LIST

OF THE

PERSONS

Who have Polled for

Sir John Williams, Alderman,

AT THE

Late ELECTION for SHERIFF
for the City of London, and County of
Middlesex.

Began the Fifth, and ended the Seventh of March,
1723-4.

March 13, 1723-4.

The SCRUTINEERS Request
TO THE
Citizens of LONDON.

GENTLEMEN,

WE desire you will carefully examine the following List of Pollers; and in Case you find any to be Polled, whom you know to be either dead, or absent, or did not Poll, that you'll give Notice thereof at Salters-Hall, in Swithins-Lane, where Attendance will be given, from Eight a-Clock in the Morning to Nine a-Clock at Night.

We doubt not but the manifest Invasion of your Rights by such corrupt Practices, will excite you to detect Abuses of this Kind.

And since the Prevalency of this Disease does require a speedy Remedy, we also hope that you'll join with us, in earnest Application to our Superiours, to provide an effectual Cure for this threatening Evil.

In the mean Time we beg you'll give what Information you are able, with all possible Speed.

P O S T S C R I P T.

SINCE this List was sent to the Press, such a Scene of Corruption has already opened to us, that we could not discharge our Trust, without pressing the worthy Citizens of London to a diligent Search after bad Pollers, and giving them Hopes of Success in their Application thereto.

When your valuable Rights and Priviledges are sported with, and timely Warning is given you, the Charge of being Accessary to the Loss thereof, will justly lie against you, if your Zeal and Diligence to save your selves from the Brink of Ruin are not exerted on this Occasion.

We doubt not but every honest Citizen, who desires that we may continue a free People, will soon be convinced of the absolute Necessity of a Law to secure their invaded Rights and Priviledges.
